Please indicate whatever quantity you wish to purchase by putting the quantity next to the amount available and indicate your price offer after the end of the part description. (Or cut and paste)

For all offers, please email tonym@eurocarparts.com.au.

As this is such a large clearance, in order to assist me to negotiate prices once you have offered, please leave a contact number or call me as it can be too time consuming for emails at times.

Please take note this isn't a liquidation sale and we would appreciate serious offers only, as "ridiculous" offers are often offensive.
